Foundation**

2017

OFFICER OF THE YEAR AWARDS DINNER

Stockdale Country Club - Friday, July 14

The *Kern County Law Enforcement Foundation* was born over twenty-five years ago on June 10, 1988 as the “*Kern County Sheriff’s Advisory Council.*” It was the fulfillment of a campaign promise made by former Sheriff John Smith to create such an organization.

Its purposes are to promote efficient law enforcement by providing assistance and support to the various police agencies of Kern County whether federal, state or local, to provide scholarships for students who aspire to become involved in a law enforcement career, and to recognize outstanding accomplishments of law enforcement officers and lay citizens who, at risk to themselves, have courageously taken action to resolve a law enforcement emergency.
