lunch, drinks & raffles.

June 22, 2026

Seven Oaks Country Club

8am Check-in

9am Shotgun Start

About

For the past 37 years, the Kern County Law Enforcement Foundation (KCLEF) has dedicated itself to raising awareness and funds for the 29 local Law Enforcement Agencies (LEAs) within Kern County. Despite being one of the largest counties in California, Kern County remains one of the most underfunded regions for law enforcement. This financial shortfall often forces officers to operate with limited resources. KCLEF aims to enhance the safety and effectiveness of our officers while fostering a positive relationship between law enforcement and the community.

KCLEF ensures that 100% of donations are allocated to various Kern County LEAs and college scholarships. These scholarships support high school and college students, active law enforcement officers, and individuals pursuing careers in law enforcement who need to further their education. Our annual fundraising dinner, now in its 37th year, along with new events such as the Sip & Safety Luncheon and the Annual KCLEF Golf Tournament, demonstrate our ongoing commitment to community improvement and support for our local law enforcement.

In recognition of its significant contributions, KCLEF has been named Nonprofit of the Year by CA Senator Shannon Grove. KCLEF helps the families of fallen officers, providing crucial financial support and ensuring their children have the opportunity to attend college. This dual focus on immediate financial aid and long-term educational opportunities underscores KCLEF's commitment to the families who have made the ultimate sacrifice.

Mission Statement

The Kern County Law Enforcement Foundation (KCLEF) is committed to supporting the 35 Law Enforcement Agencies throughout Kern County. Our mission is to provide essential resources and tools that are often unavailable due to budget constraints, thereby enhancing the safety and operational capabilities of our officers. We strive to shine a positive light on law enforcement within the community, reinforcing the vital role they play in maintaining public safety.

KCLEF is proud to have raised over one million dollars over the past three decades, benefiting local departments and their various programs. Our efforts include funding equipment and materials, assisting in the construction of facilities, and providing advanced tools and technology. Notable contributions include building a canine facility for the Kern County Sheriff's Office, supplying firearms and Tasers, implementing computer programming and tracking devices for drug enforcement, and providing anatomically correct dolls for victimized children.

In addition to operational support, KCLEF is dedicated to fostering the next generation of law enforcement professionals. We award a \$4,000 four-year scholarship annually and have pledged over \$100,000 for educational purposes since our inception. These scholarships support students pursuing careers in law enforcement, ensuring they have the necessary education and training to serve our community effectively.

KCLEF's achievements are made possible by the unwavering support of our members and sponsors. We invite those interested in joining our mission to become members and actively participate in our efforts to support law enforcement in Kern County. Together, we can continue to cultivate a strong, supportive community that values and upholds the safety and security of its residents.
